What is Love Chico?

At its heart, Love Chico is about Chico-area Churches coming together in a collaborative effort and serving the community together in worship!

The event was motivated by a desire to simply serve the community around us. There is a longing among these bodies of Christ to be the church outside of the church walls – by loving others as Christ loves us. This is a heartfelt, yet simple response to the commandment “Love Thy Neighbor”.

About Love Chico in 2010

On September 26th, twenty-six Chico-area churches will come together to serve our community. Projects range from litter removal and visitation at assisted living homes to beatification projects around non-profits and schools . . . and everything in between! Small groups and families are also encouraged to create a project of their own design and find a way to serve in their own unique way. Walk outside your door and see how you can worship through service in your own neighborhood!

A worship service will be held at City Plaza at 1:00, following the completion of the morning’s projects. Downtown food vendors will be available for lunch purchases. Please bring chairs or blanket for your family to sit on.
