Dear Pamela and the many volunteers for Chico Love,

The teachers and the students can't thank all of you enough for your hard work on Oct. 18. The school grounds looked so beautiful after your volunteers left. Kids came to school and remarked about new trees, our new compost area and fresh paint. They haven't really seen the science lab yet, but they will!

The various volunteers were all so pleasant. I enjoyed my morning and was sort of sad to see them go. I got a blister on my toe just following them and helping to get materials they needed.

I hope you will convey my thank you to all of your members. It may be too soon for you to say this yet, but I look forward to next year.

Thankfully,

A handwritten signature in blue ink that reads "Liz Capen". The signature is written in a cursive style.
