Chico, CA 95928

Attention: The Nineteen Churches Participating in *Love Chico Day* and
Members of the Congregations;

Dear Friends,

Love Chico Day was a wonderful event at Nord Country School. The effects of your generous donations of work and materials have burnished our campus and added a sparkle to our school. Important also, your loving care and generosity have warmed our hearts.

The participants in *Love Chico Day* weeded the gardens, planted flowers and vegetables, built a new patio surface with interlocking pavers surrounded by cement edging, and painted the walls of two portable classrooms. Additionally, you constructed two new planter boxes in front of the classroom for the kindergarten children. The shoveling, leveling, hauling, raking, sawing, hammering, painting, planting, and weeding were awesome.

Nord Country School is truly fortunate to be located in such a warm, vibrant, supportive community. We thank you, and we will continue to feel gratitude, for your loving concern on our behalf.

Very sincerely,

Marcia Worden
